## Introduction

Welcome to the West Bromwich African Caribbean Resource Centre Saturday School.

'If education is the key to success then tomorrow belongs to those who prepare for it today'

Malcolm X

At the West Bromwich African Caribbean Resource Centre Saturday School we believe that by working alongside your child's state school we can help with your child's development for their tomorrow.

We offer the following aspects;

1. We follow National Curriculum guidelines in what we teach and assess
2. All children will be taught in their Key Stage group
3. We will endeavour to improve your child's literacy and numeracy skills
4. More educational trips and visits will take place
- 5 We will be making more positive links with our community.

In order for all these initiatives to be successful we need your help. I hope you will support us.

Lucille Williams - Senior Teacher
